DEAR NORTHWEST MUNICIPAL CONFERENCE MEMBERS AND FRIENDS:

August 2019

I am pleased to present you with the Northwest Municipal Conference FY2018-2019 Annual Report. The report is a compilation of the past year’s accomplishments as well as information about the organization and its leadership, committees, membership and staff.

For more than 60 years, the Northwest Municipal Conference has been recognized as the region’s leader in advocating for and supporting our members and the 1.2 million Illinois residents we serve. The strength of the organization lies in the dedication and commitment of the membership and staff to build on that regional leadership and provide added value to the members of the NWMC. To that end, FY2018-2019 was a very successful year highlighted by the following accomplishments:

- One hundred and twenty-nine federal, state and local officials attended the NWMC Legislative Brunch and annual presentation of the 2019 NWMC Legislative Program.
- NWMC leadership and staff held twelve meetings with newly elected legislators to introduce them to the organization and review the NWMC’s legislative priorities.
- Twenty-three representatives from twelve NWMC communities attended the NWMC Legislative Days in Springfield. Attendees discussed municipal priorities with legislative leaders including: Governor JB Pritzker; Treasurer Michael Frerichs; Senate President John Cullerton; Senate Minority Leader Bill Brady; House Majority Leader Greg Harris and Assistant Majority Leader Fred Crespo; House Minority Leader Jim Durkin; Senate Local Government Committee Chair Linda Holmes; and, new Illinois Department of Revenue Director David Harris.
- The Conference convened member municipalities and ComEd leadership to discuss the November 2018 storm outage, restoration efforts, lessons learned and future improvements.
- The Conference hosted a meeting with Metra officials to review the agency’s 2019 Budget, local service impacts and the need for additional capital funding.

In addition to leading the way on regional issues, the Conference continued to seek innovative ways to add value to NWMC membership as witnessed by the following highlights:

- The NWMC Board approved the FY 2019-2020 Budget which did not include a membership dues increase for the sixth consecutive year. The budget continues to ensure the organization will be able to operate through the next several decades without placing significant new financial burdens on membership.
- The Suburban Purchasing Cooperative (SPC) realized gross sales of approximately $53 million, with the NWMC earning $316,364 in program revenue.
- Sam Schwartz Engineering was selected to create the NWMC Multimodal Transportation Plan and the project website, http://www.nwmcmultimodalplan.org/, was launched to solicit public input and document the plan’s development.
- The NWMC Board conducted a strategic planning session to guide the organization through 2021.

I was pleased to finish my term as Conference President at the 61st annual gala, where nearly two hundred NWMC members and guests gathered in Mount Prospect to celebrate this year’s accomplishments and reaffirm our commitment to regional leadership and outstanding member service. I thank the NWMC membership and staff for a successful year and I look forward to our future accomplishments. It has been an honor to serve as President of the Northwest Municipal Conference.

Sincerely,

Arlene Juracek
FY2018-2019 President, Northwest Municipal Conference and
Mayor, Village of Mount Prospect
During the 2019 spring session, staff tracked over 340 bills affecting local government.

NWMC leadership and staff held twelve meetings with newly elected legislators to introduce them to the organization and review the NWMC’s legislative priorities.

Promoted and participated in meetings concerning legalization of recreational cannabis. 59 individuals representing 27 NWMC members participated in the February 25 commercial cannabis summit sponsored by Senator Christina Castro and featuring bill sponsor and State Representative Kelly Cassidy.

Published a position statement outlining local government concerns with the proposed recreational cannabis legislation.

Issued a comprehensive analysis of the FY2019 state budget agreement detailing the Budget Appropriation bill (HB109) and the Budget Implementation bill (HB3342). Staff outlined specific appropriations for each NWMC member listed in HB109 and the revenue reductions by member contained in HB3342.

**NWMC President and Mount Prospect Mayor Arlene Juracek** testified before the House Personnel and Pensions Committee to discuss the benefits of public safety pension fund consolidation.

The Conference continued to lead and administer the Pension Fairness for Illinois Communities Coalition to pursue public safety pension reform.

The Conference maintained a consistent presence in Springfield through Anderson Legislative Consulting and active participation of membership and staff in the capitol during the spring session.

Publicized deadline and required materials for local governments to approve the ordinance and agreements necessary for local enactment of the Small Wireless Facilities Deployment Act (Public Act 100-0585). Promoted adoption of the Illinois Municipal League’s small wireless facilities draft model ordinance.

Solicited long-term capital needs data from the membership to inform legislative efforts to develop a statewide capital bill.

One hundred and twenty-nine federal, state and local officials gathered on Saturday, January 26 for the Conference’s Legislative Brunch and presentation of the 2019 NWMC Legislative Program.
Twenty-three representatives from twelve NWMC communities attended the NWMC Legislative Days in Springfield on March 19-21. Attendees discussed municipal priorities with legislative leaders including: Governor JB Pritzker; Treasurer Michael Frerichs; Senate President John Cullerton; Senate Minority Leader Bill Brady; House Majority Leader Greg Harris and Assistant Majority Leader Fred Crespo; House Minority Leader Jim Durkin; Senate Local Government Committee Chair Linda Holmes and new Illinois Department of Revenue Director David Harris. Attendees also hosted a reception with NWMC legislators at the Sangamo Club.

In an effort to protect and restore previously cut state collected local government revenues, the NWMC joined the “Protect My Town” coalition. The coalition consists of councils of government and municipalities working together to restore local revenues by raising legislative and public awareness.

- Staff issued a NWMC Action Alert on House Bill 137 – Corrosion Prevention Requirements on community water suppliers.
- The Conference published twelve NWMC Legislative Updates.
- The NWMC Legislative Committee held eight meetings.
- Promoted and encouraged member participation in the Illinois Municipal League Lobby Day.
- Promoted amendments made by the Illinois Municipal League to their Model Public Safety Employee Benefits Act (PSEBA) ordinance.
Hired Josh Klingenstein and Cole Jackson as new NWMC Program Associates for Transportation.

Refunded $25,212.99 to the contributing municipalities who originally participated in the long dormant STAR Line planning project.

The North Shore and Northwest Councils of Mayors programmed and obligated nearly $35 million in Surface Transportation Program (STP) funding for engineering, right-of-way acquisition and construction. The North Shore council obligated approximately $3.2 million in STP funds, while the Northwest council obligated approximately $31.7 million. Additionally, the Northwest Council obligated nearly $3 million in Congestion Mitigation and Air Quality (CMAQ) funds.

Selected Sam Schwartz Engineering as the project consultant to create the NWMC Multimodal Transportation Plan. Staff created the Multimodal Plan steering committee, a subset of the NWMC Bicycle and Pedestrian Committee. Staff promoted participation in the NWMC Multimodal Plan member community staff survey. Subcontractor The Lakota Group launched the NWMC Multimodal Plan website, http://www.nwmcmultimodalplan.org/.

Monitored and disseminated information to the membership on creation of the new Surface Transportation Program (STP) Shared Fund and Active Program Management guidelines. The CMAP STP Project Selection Committee solicited comments from throughout the region, with 38% of the 146 comments received from the NWMC. The committee addressed a number of concerns from the Northwest Municipal Conference and Northwest Council of Mayors. Of the seven changes to the guidelines approved by the committee, five were from the NWMC.

Held nine meetings of the NWMC Transportation Committee and ten meetings of the NWMC Bicycle and Pedestrian Committee.

Published eleven NWMC Transportation Newsletters.

In conjunction with Hanover Park Mayor and Metra Board Member Rod Craig and Lake Forest Mayor Robert Lansing, the Conference hosted a meeting with Metra officials to review the agency’s 2019 Budget and request for additional capital funding.
