Dear Mr. Goldrick,

The Suburban Purchasing Cooperative (SPC) Governing Board has approved a request for a short-term contract extension after our final one-year contract extension of the SPC Telecommunication Services Vendor for Term Contract (#205) to Granite Telecommunications, LLC, Quincy, MA expires on November 30, 2026.

With acceptance of this contract extension Granite Telecommunications LLC agrees to all terms and conditions set forth in the specifications contained within the Request for Proposals to which you responded.

Granite Telecommunications Inc. will handle all billing. The SPC is compensated for program costs it incurs through payment from the vendor, in the amount of a 2% administrative fee of the total amount from each individual order from each purchasing entity. This fee shall be paid directly by the vendor to the Northwest Municipal Conference (NWMC) on a quarterly basis (April 30, July 31, October 31, and January 31). This is not an additional fee to be paid by the ordering entity. The SPC shall not be responsible for any non-payment of any participating agency. Each individual member's agency shall be responsible for insuring delivery of product, receipt, and payment of vendor invoices, as well as for the resolution of disputes between the vendor and the member agency.

Please sign and date this agreement below, retaining copies for your files and returning the original to my attention.

Sincerely,
