PRESIDENT'S MESSAGE

September 2025

Dear Northwest Municipal Conference Members and Friends:

I am pleased to present the Northwest Municipal Conference FY2024-2025 Annual Report, which covers the period of May 1, 2024 to April 30, 2025. The report is a compilation of accomplishments and information about the organization and its leadership, committees, membership and staff.

The NWMC continues to build upon its legacy as the region's premier council of government by delivering solutions for our forty-four members and the 1.3 million Illinois residents we serve. To that end, FY2024-2025 was another highly successful year as demonstrated by the following accomplishments:

- Welcomed South Barrington as the organization's 44th member.
- Led the Pension Fairness for Illinois Communities Coalition to prevent erosion of public safety pension systems.
- Collaborated with the Invest in Communities Coalition, led by the DuPage Mayors and Managers Conference, to advocate for increased local government revenues and other critical initiatives.
- Engaged in discussions on the future of the region's public transportation system.
- Identified and advocated for transportation funding opportunities for our members.
- Expanded the Suburban Purchasing Cooperative and conducted the Supplier Showcase.
- Collaborated with the DuPage Mayors and Managers Conference and the region's councils of government on the Newly Elected Officials Workshop.
- Approved the FY25-26 NWMC Budget without a dues increase for the twelfth consecutive year.

These accomplishments would not have been possible if not for the hard work of our marvelous members, committee chairs, staff, consultants and regional partners. Thank you to the nearly 400 NWMC member elected officials, staff and other stakeholders who served on the organization's thirteen standing and ad hoc committees. Finally, I could not have served as your President without the support of our membership and especially our leadership team. I thank Vice President Donna Johnson, Secretary Eric Smith and Treasurer John Lockerby for their guidance and leadership over the past year.

It has been a pleasure to serve as the NWMC President and I look forward to achieving even greater success in the years ahead.

Sincerely,
